### CORONAVIRUS – COVID 19

Hope you are all managing and keeping well in these trying times.

Due to the ongoing situation I am writing to you to enquire if you require any help or assistance particularly anyone who is suffering from the virus or is in lockdown, self isolating or elderly.

1. I ask any member to contact me if you are in need of any assistance with shopping collecting prescriptions or where to seek advice etc, or if you know a colleague who is likely to be in need but may be too proud to ask.

Please contact me on 07857676253 or 01723 367119 or at [Scarborough@narpo.org](mailto:Scarborough@narpo.org) and we will endeavour to help.

2. Also I am asking if anyone can volunteer should their assistance be needed to help our older and more vulnerable members.

This help could be either by just contacting someone in your local area by phone to ascertain if they require any assistance with shopping collecting prescriptions etc or just for a chat to make sure they are well.

If possible it would be ideal to have at least one volunteer in the Scarborough, Whitby and Malton areas.

I will be able to supply details of who to contact and collate any assistance they may require etc.

Below are links for anyone who may need advice or assistance:

For Scarborough and District the coronavirus community help link is

In Scarborough The District Council and NYCC have teamed up with age concern to provide or can link to virtually everything people may need such as food parcels, prescription collecting shopping etc etc plus a link to mental health teams.
